

Arwachin world school  
Session 2022-23  
Summer holiday home work  
Class 7

**“Success is the sum of small efforts repeated day in and day out”.**

Dear Parents,  
Summer Vacation is a time for the children to enjoy and relax.

These days are precious and valuable and can be made most from if judiciously used. We should always remind ourselves

that children will not remember us for the gifts

we shower upon them but will always cherish the time we spent with them. Its

time to nurture young minds, inculcate moral values and

narrate family  
anecdotes to keep them in touch  
with their roots.

## **Few tips to make the vacation a fruitful time for your child.**

- Encourage your child to take up  
yoga or any other form of healthy  
activity  
during the vacation.
- Involve children in household  
chores.
- Create a summer diary -  
Encourage your child to keep a  
summer diary, to  
paste photographs of special  
days and write about them.

- Enjoy walking with them in parks and appreciate nature.

## **General Instructions: -**

- Bring holiday homework in a neatly decorated folder.
  - We are not expecting a work of art completed by parents, just help your ward and encourage him/ her to do the task themselves. Original work by the child shall be acknowledged.
- Note: - / Homework will be assessed so do submit your holiday homework on a mandatory basis.
