

ARWACHIN WORLD SCHOOL
CLASS - VII
SESSION - 2020-21
SUMMER VACATION HOLIDAY HOMEWORK

Dear Parents ,

After the corona virus pandemic struck across the globe, our teachers have worked continuously to provide good value education to all the students along with the soft copies of the study material. As the students also navigate through these tough times, the importance of their physical and mental fitness cannot be neglected.

So, we at Arwachin World School are finding ways to keep our students motivated during this lockdown period. It will be appreciated if all the parents encourage their child to minimize their screen time and engage them to do reading through books or news papers on daily basis. Kindly motivate them to indulge in recreational activities like writing, cooking etc. Students are advised to revise the topics that have been taught to them in online classes. Kindly also ensure that they study regularly and do their holiday homework with utmost sincerity and refrain themselves from any activity on social media.

Let us show our gratitude to the brave hearts, who have been working all over the world. Their selfless service is commendable.
