Summer holiday homework
Class-5

"Success is the sum of small efforts repeated day in and day out".

Dear Parents,

Summer Vacation is a time for the children to enjoy and relax . These days are
precious and valuable and can be made most from if judiciously used. We
should always remind ourselves that children will not remember us for the gifts
we shower upon them but will always cherish the time we spent with them.

Few tips to make the vacation a fruitful time for your child.

• Encourage your child to take up yoga or any other form of healthy activity
during the vacation.

• Involve children in household chores.

• Create a summer diary- Encourage your child to keep a summer diary, to
paste photographs of special days and write about them.

• Enjoy walking with them in parks and appreciate nature.

General Instructions:-

• Bring holiday homework in a neatly decorated folder.

• We are not expecting a work of art completed by parents ,just help your
ward and encourage him/ her to do the task themselves. Original work by
the child shall be acknowledged.

Note :- / Homework will be assessed so do submit your holiday
homework on a mandatory basis.
